Chartered Institute of Arbitrators Accelerated Route to Fellowship Course.

The course, which culminates in an award writing examination, assesses whether the candidate has the requisite knowledge required to analyze submissions, arrive at a conclusion and write a final, reasoned and enforceable arbitration award in compliance with the UNCITRAL Model Law and Arbitration Rules.

This course is only open to qualified candidates who can demonstrate they have sufficient background and experience in international arbitration.

NOTE: Before registering for the Fellowship course (or both courses if you intend to sit for both), we **STRONGLY ADVISE** you to send **Peter Michaelson, Chair - NY Branch**, an e-mail briefly describing your background and experience in international arbitration. Historically, the course co-directors have found that those attendees, who do not possess sufficient and experience in international arbitration, had considerable difficulty in passing the award writing exam given at the end of the Fellowship course. While we cannot guarantee that a registrant will pass the examination, having that knowledge and experience is likely to enhance that registrant's prospects of doing so. We will review the description you send and respond with our view as to whether you are qualified to take the course. Please do not register until you hear back from us. If you only want to take the Columbia course, you can immediately register for it as there are no pre-requisites for that course.

The course fee includes:

- Course materials
- Breakfast and lunch on Mon 6/13 and Tue 6/14
- Exam Charges

All attendees are responsible, at own expense, for their travel, lodging and all meals other than those specified above.

Information Regarding New York CLE Credits:

Application for New York accreditation of this program is currently pending.

Columbia Law School has been certified by the New York State Continuing Legal Education (CLE) Board as an Accredited Provider of CLE programs. Under New York State CLE regulations, once a program has been approved to provide CLE credit, that program will provide a predefined number of credit hours, as specified in its approval, that can be applied toward the Areas of Professional Practice requirement for experienced attorneys only. Once approval is received, CLE credit will be awarded only for full attendance of the course in its entirety. Attorneys attending only part of the course are not eligible for partial credit for it, although they are most welcome to attend it. Attendance is determined by an attorney's sign-in and sign-out, as shown in the course's registers. Please note that there will be a separate register for each day of the course, with sign-out and sign-in required for each one.

CLE Credit Financial Aid Policy:

Persons seeking a hardship scholarship should register using the form above and then separately complete their registration by submitting a scholarship request, no later than May 30, 2016, to Peter L. Michaelson at info@ciarbn.org. Requests, which will be answered, should detail in a few sentences the basis of the applicant's need and the background to his or her interest. Please understand that without a complete scholarship request, the applicant may be notified that the scholarship registration has been cancelled. All complete requests will be considered.
